

Mother Daughter Safari

Dear Moms and Daughters,

I am so excited to get to go to camp this summer. I grew up going to camp at Butler Springs and now I love being able to share it with my children. I have three daughters and a son that are all growing to love Butler Springs as much as I do. Having traveled to many summer camps as a college student, I realize how wonderful and special Butler Springs is. I am glad that you have chosen to join us at Mother/ Daughter Safari.

During Mother/Daughter Safari we will get to try out many of the activities the camp has to offer. It will be a busy weekend full of activities and time together. We will spend time building our relationships with each other and with God during our weekend. I hope that you are ready to stretch yourself and try something new.

We will be camping in the treehouses at the top of the hill and hiking down to the base camp during the day. You will need a backpack or other bag that you can carry necessary items with you. (We will carry our water bottles, swimsuits, towels, and shower items down the hill).

To have a great weekend, make sure you have bedding, a pillow, good shoes for hiking, sunscreen, bug spray, a flashlight, a water bottle, towel, your Bible, a pen or pencil, and a mess kit (or a plate, bowl, cup, and silverware). You will also need to make sure you have clothing that you are not going to worry about getting messy. Bring a one-piece swimsuit or similar modest swimsuit that covers like a one piece with you as well as the pool will be open for us. The treehouses do not have electricity so do not bring anything that will need to be plugged in.

I am looking forward to getting to spend some time with you and getting to know each of you. I hope that we will be able to enjoy the time away from the craziness of everyday life and focus on God. If you have any questions, please feel free to contact me at jennypenrod4@gmail.com.

Have a great day and I will see you soon,

Jenny Penrod
