

Dear Camper,

Our ADVENTURE 345 week of camp at Butler Springs Christian Camp is almost here. Get rested up and be ready for an exciting week.

Our theme for the week is the Lord's Prayer Matthew 6:9-13. Our Key Verse is 1 Thessalonians 5:17 "NEVER STOP PRAYING" You will see WHY we pray, WHO hears us, WHEN do we pray, WHAT do we say. You will be making a wood craft project that reminds you to pray at home, crafts that help you remember to pray, cooking that helps us remember God supplies our needs, hiking, singing with an AWESOME teenage worship team, worshipping in the woods, having interesting bible stories taught by great teachers, lots of good snacks and meals and many other things that are all about the importance of prayer in our lives. On Wednesday we will be taking a short hike to Fort Hill. The trail is good, so please remember to wear regular shoes (not flip flops or sandals). We will be doing something a little (maybe a lot) messy one day so please bring a light colored (white would be good) shirt that you don't care if it gets stained or even returns home.

Camp registration starts at 4:00 p.m. on Sunday at the canteen in back of the soccer field and that is when you will be allowed in your dorm to get your bunk. (Not before please, so it is fair to everyone)

Our missionary time for the week is special. You will learn all about a mission that is helping people your own age that are in bad situations. AGAPE Int'l Missions will show us how we can help those that are not as fortunate as we are. Remember to bring a special offering for them.

Be prepared to experience God in an amazing way as we spend our week together. God has put together an awesome faculty and I know you will make memories that you will remember forever.

Our schedule goes from 7:30 a.m. wake up to 10:45 p.m. lights out, so rest up and be ready to learn how we can be just like JESUS when we pray.

Read over and memorize the Lord's Prayer Matthew 6:9-13. If you can say it at registration on Sunday, you will receive a free SLUSHIE at the snack shack.

See YOU Sunday June 27th at camp,
Can't wait to spend the week with you.

Love,
Steve and Susie Williamson
