

Hello!

My name is Kyrsten Alvey and I will be the leader for your child's week of safari camp at Butler Springs this summer. I wanted to reach out to you all and share a little bit about myself and what you can expect from your child's week of camp. I am 26 years old and currently work as an emergency room nurse. I attended Butler Springs parent and me weekend growing up, worked on staff for two summers in college, and this will be my third year leading Safari camp. Joining me in leadership will be my twin sister Mykaela who is a missionary based in Greenwood, Indiana. We will have a male leader as well but have not nailed down who that will be yet and then joining us as junior staff will be Kirsten Campbell. We will spend the week sleeping in tree houses that you will have the opportunity to see when you drop your child off. We will cook both breakfast and dinner at safari camp and will eat lunch down on main camp. During the week we will have daily devotions that will center around the idea of how God sees us as His children. During the week we will get to enjoy a variety of activities such as swimming, ziplining, climbing a rockwall, riding a giant swing, playing dodgeball, and rafting on Little Miami. I cannot wait to meet each of your children and eagerly anticipate the opportunity to spend a week pouring into them. If you have any questions or concerns please feel free to reach out to me via my personal email at kalvey@anderson.edu.
