## Mission Spotlight

AIM (Agape International Missions) is a Christ-led, non-denominational, not-for-profit organization that exists to glorify God through our dedicated efforts to love, protect, and care for survivors of trafficking as well as other vulnerable and exploited individuals. AIM has been working in Cambodia since 2005 and started work in Belize in 2021.

Through a holistic approach of rescuing, restoring and reintegrating survivors of trafficking and preventing sexual slavery, AIM seeks to meet survivors' spiritual, emotional, social, educational and physical needs. Our intention is that they may come to know their worth and value in Christ, develop a dependence on Him, and develop skills for a sustainable life.

**Mark Graham** has been a part of AIM since June 2020. His primary focus is building partnerships with

churches and helping them mobilize in the fight to end trafficking. Prior to joining the team at AIM, Mark served 20 years in pastoral ministry in Indiana, Kentucky, and Nevada. Mark and his wife, Jess, grew up coming to and serving at Butler Springs, and actually met through a week of camp. They'll be celebrating 20 years of marriage this year and have 3 active boys.
