Hello Camper!!!

We are so excited that you have chosen to join us for Culinary Cafe at Butler Springs Christian Camp!

Our focus this year is "A Season of Change". The world is in a constant state of change right now. Things are not like they used to be but there are many wonderful blessings to be found. We will be exploring how God can turn your life completely around and fill it with blessings and purpose. Are you curious?

We will be exploring recipes that you can make from home with the items you probably have on your shelves today. We will be taking a trip to Jungle Jim's in Fairfield. During this trip while you are in the vehicles you will be required to wear a mask. Out of consideration for others, while we are in Jungle Jim's we would like to encourage you to wear your mask. We will also be eating lunch out during this trip.

We will be watching a group movie. It has been a tradition of our group to wear "Onsies" to the movie. It just adds to all the fun!

You are welcome to bring a hammock. They are only allowed to be set up at Hammock town or Hammock City. We will be staying together as a group. There will be two groups within our large group and that is who you will be with the whole time.

One of our campers has a service dog that he will be bringing with him. She is a service dog. Therefore she will be working the whole time we are at camp. In order to support her training and her handler, she is not to be touched or fed from anyone else.

Some things to think about bringing with you:

Pillow · Sleeping bag or twin size sheets & blanket · Personal Toiletries · Shower Towel & Pool Towel · Sweatshirt / Light Jacket · Modest One Piece Swimsuit · Activity Shoes & Sandals · Flashlight · Dirty Clothes Bag—Trash Bags don't work · Clothes that are OK to get dirty or that doesn't come home · Water Bottle (please label with your name) · Money for Missions · Bible with Old & New Testament · Pen / Paper · Things with your name on it

We will conclude on Sunday at 1 pm. We will be out of the dorms first thing in the morning to allow for camp to sanitize and clean before the next camp session begins later that afternoon. We will have lunch before we go.

Please let either Heather or I know if you have any questions or concerns. We are so very excited to see you and can't wait to begin this journey with you.

Please pray for camp and the staff and volunteers.

Please read over these verses: **Ecclesiastes 3:1-8**

See you soon! Tracy and Heather
