Dear camper and parents:

What a year it has been! It has definitely been a challenge for all of us. Within those challenges have been hidden blessings; some we have already realized and some we are still discovering. Camp is one of those blessings!

We are very excited that you have chosen our camp session! We look forward to growing in Christ with you while we learn many new things in the kitchen.

Our theme this year is “Souper Empowered”, with our focus verse from 2 Timothy 1:7. We will be making an offsite trip to JR’s Market and the Country Crust Bakery in Bainbridge as a group to explore the amazing variety of foods and preparing many different dishes and bread variations. We will also be watching the movie “Clouds”.

Please take a moment to check out the list of what to bring to camp located on the Butler Springs website at www.butlersprings.com. You will need to click on the 2021 Summer Camp Schedule, scroll down and click on What to bring to camp.

In addition to what is on the list, our campers typically dress in “theme” with “onesies” for movie night. It is an option but it does add a little fun. We encourage them to come to the movies as a superhero this year.

We will be supporting the camp mission this year. It is Agape International Missions. Daily snacks are provided to every camper. We do allow the campers to make personal purchases when we are on our offsite trip. Campers are encouraged to keep their missions donations separate from their offsite money.

We are counting down the days until camp begins. We are so excited to be sharing this special week with you!

Please remember arrival time is 4 pm on Sunday and pick-up time is 4 pm on Thursday.
