

# Dear Camper,

We are so excited you are coming to HS Week of Camp June 20-25th! We can't wait to see you! This year's theme is "The Rising!" Our hope is to start a movement of speaking Grace and Truth into the situations we find ourselves in. We hope to deconstruct some thinking and actions that tear down our ability to live like Jesus.

Please come ready to be all in for a great week of new experiences, new friendships and a new way of looking at the world around us.

Below are the things you need to know. See you on the 20th.

So what should you expect from camp? An amazing experience with God. That's what we know. How is it going to play out? You'll have to wait and see. We have room for your friends. . . .it's even better when they are with you! Don't be afraid to invite them. You won't regret it. If you have questions, please e-mail me at [rmoore@back2back.org](mailto:rmoore@back2back.org)
